CSI Las Vegas February 9th Meeting

Stimulus Money…Where is it and how can I get it?

Please join us for an evening focusing on "Stimulus Monies" associated with the Buy American Act. We will focus on how to understand the rules and how to access them here in Vegas and other places, and as with all of this year's presentations, it is intended to draw out questions regarding local application and practicality.

Our speaker will be Alan Wander, the Director of Customs Compliance for Black & Decker.

He is a nationally recognized expert on what it takes to meet the requirements for projects that fall under the Buy American Act, and any project that is funded by Stimulus money.

These laws and the criteria that are needed to meet them are as convoluted as anything you would expect the government to produce, and Alan has a presentation that simplifies the process and breaks it down as far as the requirements are concerned. More importantly he is able to answer questions about the subtle nuances of how to apply various provisions and the impact they can have on a job.

Please join us for an entertaining and informative dinner and program, and remember your food donations for Three Square!

Bring a guest to dinner…it might change your life!
