

2009 CSI SOUTHWEST REGION CONFERENCE

Feeding the Soul

April 2nd - April 5th 2009

Dear Associates,

The **2009 CSI Southwest Region Conference** is coming up very soon and we are looking for sponsors to help us make this an event to remember.

Manufacturers, architects, engineers and members can find the various sponsorship levels we are offering and a registration form for sponsorship following.

Remember that in addition to the great networking opportunities that occur at the conference and especially the **5 Minute Specing** on Saturday, your sponsorship will be remembered. During the 5 Minute Specing , table top sponsors will have the unique opportunity to spend 5 minutes introducing and answering questions about their product with Spec Writers, Architects and Facility Managers that will be coming specifically for this segment of the conference.

Sponsorship questions contact:
